not say definitely he will not recover the use of his limbs, but the
chances are against him." The
physicians late today issued the
following report as to his condition:

"Lieutenant Coney is paralyzed in his lower extremeties. There is loss of sensation and motion in the lower extremities. His temperature is 102%; pulse 100; respiration 26. Lieutenant Coney is conscious and cheerful but does not talk much."

The injured filer this evening sent a telegram to Miss Mary Morgan, San Diego, Cal., said to be his flance. The message was brief, mercily stating.

"My plane fell this morning and my spine was seriously injured." The lithtenant's mother made
